PRODUCT FILE

Nitrile Gloves

Non sterile MD

Ref. A00003

Specifications

Brand: MD Product Type: M- 3.5 +/-0.2 gram

- Single use
- Prevent contamination and protect against viruses, bacteria & fungi
- 100% Nitrile - thickness 0.05 mm: stronger than other glove materials such as latex, natural rubber or vinyl
- Is flexible and provides good tactile sensitivity
- Good puncture and tear resistance
- Hypoallergenic
 - Latex free
 - Powder-free: This reduces the risk of skin abrasion & irritation from perspiration.
- Impervious when used in wet or oily work environments
- Comfortable fit:
 - fitted with roll cuffs for easy donning and doffing
 - can be worn on either the left or right side
- Commonly used in the medical industry due to their high puncture resistance, and dexterous strength.
