Nitrile GO GRIP disposable gloves

for special purposes 7gsm Non sterile

A00258

Specifications

MERCATOR® GO GRIP GREEN:

Special purpose disposable gloves. Unique quality premium nitrile glove: They offer you the maximum protection against external influences.

- High resistance to selected chemicals, protection against viruses, fungi & bacteria.
- Provide protection in a greasy and humid working environment.
- Resistant to oils and lubricants.
- Approved for contact with food.
- Robust nitrile - **3x thicker than standard gloves.**
- Exceptionally elastic for unrestricted movement.
- Revolutionary **3D diamond texture** that makes your grip strong and secure without limiting your precision. Thanks to the original gogrip structure you can operate mobile devices without taking off your gloves.
- The perfectly fitting cuff of the gloves ensures excellent working comfort.
- The visible, vibrant, green color stands out in any environment and gives you instant positive energy.
- Original inside: the 3D structure prevents hands from sweating during use, ensuring working comfort.
- Powder and latex free. Also suitable for sensitive skin.
- **Recommended applications:**
These nitrile gloves are ideal for heavy industry or aviation, but also for plumbing or in the food processing sector.
 - Agriculture and horticulture
 - automotive industry, aviation
 - chemical industry
 - water supply systems
 - plumber
 - cleaning sector
 - paint stores
 - difficult industrial conditions
 - food processing
 - hunting and fishing
 - production
