## PRODUCT FILE

### Nitrile GO GRIP disposable gloves

for special purposes 7gsm Non sterile

A00259

## Specifications

#### MERCATOR® GO GRIP ORANGE:

Special purpose disposable gloves. Unique quality premium nitrile glove: perfect for working in difficult environments conditions. Resistance and durability for professionals!

- High resistance to selected chemicals, protection against viruses, fungi & bacteria.
- Protection in a greasy and humid working environment. Resistant to oils and lubricants.
- Robust nitrile - **3x thicker than standard gloves.** Exceptionally elastic for unrestricted movement without limiting your precision. Thanks to the original gogrip structure you can operate mobile devices without taking off your gloves.
- Their striking, intense orange color makes them stand out in any environment. The orange color is perfectly visible, which certainly makes work easier.
- Original inside: the 3D structure prevents hands from sweating during use, ensuring working comfort.
- Powder and latex free. Also suitable for sensitive skin.
- **Recommended applications:**
  - Automotive, machine, construction, mechanical, assembly and industrial sector
  - Chemical industry, painters .
  - Steel industry, warehouse, woodworking, construction industry
  - Electricity & hydraulics
  - Food industry
  - Cleaning sector
