

PROTECT[®] AND CARE

PRODUCT FILE

Nitrile GO GRIP disposable gloves

for special purposes Non sterile

A00257

Specifications

MERCATOR[®] GO GRIP BLACK:

One glove, multiple uses! Special purpose disposable gloves. High-quality nitrile gloves: perfect for working in a multi-demanding environment. Stable grip and durability for professionals!

- High resistance to selected chemicals, protection against viruses, fungi & bacteria.
- Recommended in the automotive, construction, assembly and industrial sectors. Wherever your hand needs protection against dirt and stains exposed to contact with chemicals such as oils or lubricants resources.
- Highest quality nitrile - 2x thicker than standard gloves.
- Exceptional elasticity & high resistance for unrestricted movement.
- Revolutionary 3D diamond texture that makes your grip stable and secure without limiting your precision. Thanks to the original gogrip structure you can operate mobile devices without taking off your gloves.
- Original inside: the 3D structure prevents hands from sweating during use, ensuring working comfort.
- Powder and latex free. Also suitable for sensitive skin.
- **Recommended applications:**
 - automotive
 - mechanical industry
 - construction and assembly work
 - electrical works and hydraulics
 - woodworking
 - plumber
 - food industry
 - cleaning sector
