Nitrile GO GRIP disposable gloves

for special purposes Non sterile

A00256

Specifications

MERCATOR[®] GO GRIP BLUE:

Special purpose disposable gloves. High-quality nitrile gloves: Perfect for working in demanding environments giving stable grip and durability for professionals!

- High resistance to selected chemicals, protection against viruses, fungi & bacteria.
- Approved for contact with food:
Especially recommended for food processing, where hands are exposed to damp, oily and wet environments during work.
- Highest quality nitrile - **2x thicker than standard gloves**.
- Exceptional elasticity & high resistance for unrestricted movement.
- Revolutionary **3D diamond texture** that makes your grip stable & secure without limiting your precision. Thanks to the original gogrip structure mobile devices can be operated without the gloves to do.
- Original inside: the 3D structure prevents hands from sweating during use, ensuring working comfort.
Powder and latex free. Also suitable for sensitive skin.
- **Recommended applications:**
 - processing of meat and fish, milk, vegetables and fruit (cleaning, cutting, thermal processing, disinfection)
 - beverage production
 - production of frozen products
 - bakery and confectionery
 - cleaning sector
 - cleaning machines
 - laboratory
